Privacy Act Release

Date October 10, 2014Social Security No. (b) (6), (b) (7)(C)

Claim No. _____

SRC/A No. (b) (6), (b) (7)(C)

Dear Senator Sessions:

I request your assistance in resolving the problem I am having with (agency)
Homeland Security

Give highlights, necessary dates and locations. Use second sheet if needed.

I hold dual citizenship having been born in Germany and naturalized in the US, and I carry both passports.

As I have an office in Shanghai, I obtain a visa for travel to and within China. This visa is good for multiple entries but must be renewed each year. This visa, of course, is attached to my US passport.

Earlier this week I sent the passport to CIBT in Houston to obtain the new visa, as I travel to China October 30th. This is typically a routine task with expeditious turn-around times. However, this time there is a slight issue. Even though I have available pages in my passport, there are apparently no additional visa pages. They are having pages added to my passport without an issue; however, I fear my passport will now not be returned in time for a scheduled business trip to England October 19th.

I can obviously leave the US on my German passport, but reentry into the US is then an issue. Are there any provisions or waivers available in this type of situation? I have called the office at Homeland Security, but I have been unable to speak with anyone other than the standard call center.

I realize this is entirely my fault for not realizing the unavailability of appropriate pages; however, any assistance or guidance you can offer will be greatly appreciated.

In keeping with the restrictions of the privacy act, you are authorized to request any information required to assist me.
